

# LEGISLATIVE CONSULTATION BRIEF - ORD-2026-0003

Subject: Web-Based Public Hearing and Consultation Management System

Proponent: Committee on Laws and Ordinances

## Executive Summary:

This ordinance institutionalizes a modern digital platform for public hearings to encourage citizen participation, ensure real-time access to hearing schedules, and automate the recording of public consultation feedback.

## Key Provisions:

Section 1. Short Title and Declaration of Policy

Section 2. Creation of Manila Public Hearing Portal

Section 3. Mandatory Public Notice and Registration Timelines

Section 4. Hybrid Attendance and Virtual Floor Privilege

Section 5. Archiving and Open Public Records

Stakeholders are invited to review the full text and submit comments.
